PONTOONS
QUALITY OF LIFE, CAREFULLY CRAFTED™

Unrivaled Escapes, However You Choose.

If your idea of a good time is peace and solitude, there's a Ranger® Reata® pontoon for that. Or, if you'd rather max out the persons load and stereo volume, Ranger is willing and able.

The thing is, after more than 50 years in the boat building business, we've found that all types take to the water for a multitude of reasons, but the common thread among them is escape. A diversion from life's routine enriches us and plants milestones within our memories that can't be found in the mundane. We think there's no better place to find these moments than on the water, which is why we craft purpose-built pontoons for every lifestyle.

For this year, our acclaimed lineup is joined by the all-new budget-friendly Classic Series that offers maximum fun with minimum frills, and an ultra-premium Luxury Series that elevates what comfort and convenience on the water can feel like.

Every model carries the same attention to detail, quality and unwavering craftsmanship that made Ranger a household name in the fishing and boating world. Agonizing over every detail delivers unsurpassed quality and superior fit and finish for the highest level of customer satisfaction. Whether your plans are wide open or involve going wide open, there's a Ranger Reata for you.

RapidRise™ strakes	Soft-touch luxury woven flooring	AquaArmor™ undercladding	Stylish fencing and gates	Premium graphics	Color-keyed Bimini top	PowerPod™ motor extension
Our RapidRise™ strakes are ideally sized and placed for quick lift, even with a full load.	Ranger® Reata® flooring delivers sure-footed traction in all weather conditions as well as soft feel and long-lasting good looks.	This all-aluminum deck underpinning serves to add rigidity, stability and protection to our three-log models.	Ranger® Reata® pontoons boast fencing and gates that are designed to deliver premium style and functionality.	A trio of Comanche-inspired stripes set off the 3-D chrome Ranger® insignia and sleek fencing with a nod to the most well-respected heritage on the water.	Ultra-convenient Bimini tops are color-keyed to match and feature LED courtesy lights, storage pockets and a protective boot.	The Ranger® PowerPod™ delivers increased performance with truer tracking and sets the outboard farther away from the deck for quieter operation, even at high RPMs.

Ranger® Reata®: Elevating Pontoon Design.

At Ranger®, we're always innovating, striving to deliver better boats and customer experiences, on and off the water. Whether it's making our boats more comfortable, convenient or versatile, we take the status quo as a starting point and from there, we look to improve every facet to deliver a product worthy of the Ranger name. At the heart of this confidence is our legendary Ranger Five Star Advantage®.

The Five Star Advantage is an assurance that your boat is made with the highest level of overall quality thanks to relentless innovation that delivers superior all-around performance and safety culminating in a stronger resale value. It's just another way we deliver the Ultimate Ownership Experience™.

Quality. Detail after detail, you'll see the difference in our construction standards, top-grade materials and premium components.

Innovation. From fishing to cruising, we never stop listening, learning and refining.

Performance. Whether you're on the throttle or a sandbar, Ranger® Reata® pontoons deliver outstanding performance at all RPMs.

Safety. Every boat we make is designed for maximum peace of mind, so rest assured knowing that every model meets or exceeds all NMMA and ABYC standards.

Resale Value. Whether you're the first, second or third owner of a Ranger Reata, you can be sure that your pontoon is built to last.

Relax... It's A Ranger®. Peace Of Mind Comes Standard.

Owning a Ranger Reata® is a reward that never stops giving, so we back it with a warranty that won't stop, either. A limited lifetime structural warranty covers your pontoon and is complemented by 10-year bow-to-stern coverage — both of which are transferrable to the second owner. We have the utmost confidence in our designs, and we want to pass that confidence on to you. After all, your Ranger Reata is made for a lifetime of memories, so we built in a lifetime of peace of mind.

Lifetime Limited Structural Warranty • 10-Year Bow-to-Stern Coverage • Transferrable to Second Owner

2020 MODEL PRICED AS A STANDARD PACKAGE WITH Mercury® 40 ELPT FourStroke Command Thrust

Family. Fishing. Fun. These three words could describe most any Ranger® boat, and the Classic Series 180F delivers these with a whole lot of affordability. Tailor-made fishing stations fore and aft make the 180F a formidable angling machine, while a midships lounge and swiveling barrel-style captain's chair provide comfort in spades. Dual livewells, rod and tool holders, and ample storage for tackle and gear deliver fishing chops while a 9' Bimini top and woven PVC flooring keep things comfortable all day long. An optional Fish Package adds a Minn Kota® trolling motor and Lowrance® electronics for even more capability. The Ranger Classic Series puts emphasis and focus on what really matters: Family, Fishing And Fun.

A Aft L-lounge w/ under seat storage

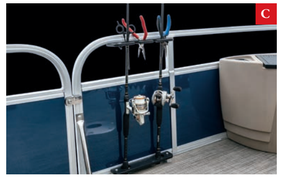

B 4 flip-up mooring cleats

2020 MODEL PRICED AS A STANDARD PACKAGE
WITH Mercury® 40 ELPT FourStroke Command Thrust

The new Ranger® Classic Series 200C represents a pontoon that delivers quality, affordability and comfort in a well-rounded package that's fit for full days of family fun. The wide-open deck features a trio of lounges that enjoy plush seating and storage underneath. Wrapped bases meet woven PVC non-skid flooring that stretches across the whole deck. A full-width aft swim platform and boarding ladder are accessible by a latching gate. A port side entry gate is wheelchair accessible and latches silently and securely. The helm benefits from precision gauges, rocker switching and a conveniently located throttle that gives the captain full control and confidence. The new Ranger Classic Series 200C truly is Where Affordability Meets Capability.

A Easy-to-deploy color-coordinated 9′ Bimini top w/ adjustable hold-down arm, LED lighting, storage pockets & matching protective boot w/ logo

B 4-step, fold-down, telescoping stainless steel boarding ladder w/ two tall handrails

It's often said that good things come in small packages, and this truism reflects the new Ranger® Classic Series 180C. With a 20' length, full-width swim platform and 75HP rating, this pontoon is ready for economical fun year-round. A spacious layout gives room for entertaining and cruising while ample storage lets you bring along scores of gear for any activity. A 9' Bimini top deploys with fingertip effort and locks into place when not in use. Ranger's PowerPod™ and RapidRise™ strakes combine to deliver sharp handling and enhanced performance all while providing quieter operation by moving the outboard back. No matter what's in store, the 180C features a Small Size That Delivers Big Fun.
